

Commitment

Craig David

Yeah, yeah
Yeah, yeah

Every time I show you, vibes you cannot see it (Yeah, yeah)
Every time I tell the truth, you don't believe it (Yeah, yeah)
Don't tell me I don't know about commitment (Yeah, yeah)
When I was the only one to show you different (Yeah, yeah)

It don't be the same no more
I can see, you can see
It don't be that way no more (Yeah, yeah), yeah
You running around like u don't have feelings anymore, yeah (Yeah)
It's cool if you out, no doubt if you leave, then say no more
No more, no more

'Cause when you go left I just go right
Mm, but you still want it all night
We just play chess when we collide
Mm, think it's right about time (Yeah)

Every time I show you vibes, you cannot see it (No, yeah, yeah)
Every time I tell the truth, you don't believe it (Yeah, yeah)
Don't tell me I don't know about commitment (Yeah, yeah)
When I was the only one to show you different (Yeah, yeah)

Differently (Oh, yeah)
We fell in love instantly (Oh, yeah)
You're a man on a mission
Stacking your paper
So I kept a distance, babe (Oh, yeah)
We were self-destructing like kamikaze
Though you said I'm a snack, I belong in the pantry
You do these things to me
Like fire mek we rekindle it (Oh)

But when you go left, I just go right
Mm, but I still want it all night
Undo this dress, show me your might
'Cause you know I need it, baby (You know I need it)

Every time I show you vibes, you cannot see it (I, yeah, yeah, yeah)
Every time I tell the truth, you don't believe it
Don't tell me I don't know about commitment (No, no, no)
When I was the only one to show you different (Show me different, yeah)

I'm grown
I'm good good when I'm on my own
I'm making money, yeah, I be on the phone
Heart of stone, yeah, I been in the cold, you know
You told that we never fold
Sexy, elegance, always in control
You told me when we met we should go with the flow
It's cool you know my phone blowing up
I ain't showing up

Every time I show you vibes, you cannot see it (Yeah, yeah, yeah)
Every time I tell the truth, you don't believe it (Yeah, yeah, yeah)

Don't tell me I don't know about commitment (Yeah, yeah, yeah)
When I was the only one to show you different (I was the only one, yeah, yeah,
different)

It's the same thing nothing's changed, don't get it twisted (Yeah, yeah)
Done the right things right time, I kept it consistent (Consistent, consistent,
yeah)

Every time you sent the message, you don't receive it (Yeah, yeah)

Every time we speak, I want you just to keep it, yeah (Yeah, yeah)

Oh

Commitment

Mm

Oh, baby

Yeah, yeah
