

# Do You Miss Me Much

Craig David

Do you miss me much  
Or when it's cold and we can't touch  
Do you miss the way  
When we used to lay in bed all day  
Do you miss the times  
We be making love 'til the sunrise  
Do you miss me much  
Do you d-do you  
Do you-you miss me much

Stood outside an open door  
Should I run inside, should I make a move  
Locked inside an empty space  
When I close my eyes, all I see is your face

I close my eyes, but I just can't sleep  
No, I just can't sleep, no, no  
I keep my pride, but I don't know why  
'Cause I don't know what is on your mind

Do you miss me much  
Or when it's cold and we can't touch  
Do you miss the way  
When we used to lay in bed all day  
Do you miss the times  
We be making love 'til the sunrise  
Do you miss me much  
Do you d-do you  
Do you-you miss me much

Do you d-do you  
Do you miss me much  
Do you d-do you  
Do you miss me-me  
Do you d-do you  
Do you miss me much  
Do you d-do you  
Do you miss me much

You know where you should be  
(If you miss me much)  
You could be home with me  
(If you miss me much)  
Holdin' you, holdin' me  
(If you're missin' me)  
Come back now

Do you miss me much  
Or when it's cold and we can't touch  
Do you miss the way  
When we used to lay in bed all day  
Do you miss the times  
We be making love 'til the sunrise  
Do you miss me much  
Do you d-do you  
Do you-you miss me much

Do you d-do you  
Do you miss me much  
Do you d-do you  
Do you miss me-me  
Do you d-do you  
Do you miss me much  
Do you d-do you  
Do you miss me much
