Did everything at your discretion, babe  
'Bout how you clued up now saw the vision, huh?  
Guess it gets like that, yeah  
You've been watchin' way too much television, yeah  
Actin' like I need your permission, no  
Try weigh me down is that your mission, huh?  
Guess it gets like that, babe  
All in your, all in your head, those superstitions  
We would be together now if you listened  
Baby, don't lose yourself, just have to switch up positions  
Guess it gets like that
