

# Give It All Up

Craig David

Mmh, yeah yeah

Let's take it back to basics  
Let's take it back to when it wasn't complicated  
'Cause if I'm being real, it feels like something's changing  
And we were so much happier before, let's face it

Don't need this fast car if you're not inside it  
And this big house without you just ain't a home  
You're the one thing I can't live without  
So take it all, take it all, take it all back

If I had to choose  
I'd give it all up for you  
I'd give it all up for you  
Nothing I won't do  
I'd give it all up for you  
I'd give it all up  
For your love  
I'd give it all up for you  
I'd give it all up  
For your love  
I'd give it all up for you  
I'd give it all up  
I'd give it all up

To spend a little more time with you  
Do all the things that we love to do, believe me  
I'd give it all up so we can save this relationship  
'Cause we forgot the important bit, baby

Don't need this fast car if you're not inside it  
And this big house without you just ain't a home  
You're the one thing I can't live without  
So take it all, take it all, take it all back

If I had to choose  
I'd give it all up for you  
I'd give it all up for you  
Nothing I won't do  
I'd give it all up for you  
I'd give it all up  
For your love  
I'd give it all up for you  
I'd give it all up  
For your love  
I'd give it all up for you  
I'd give it all up

Let's take it back to basics  
(Let's take it back)  
Let's take it back to when we started dating

Giving it up for your loving  
Give it all up for ya  
Giving it up for your loving  
Bringing it back, bringing it back

Giving it up for your loving, loving  
Give it all up for you  
Giving it up for your loving  
Bringing it back, bringing it back

If I had to choose  
I'd give it all up for you  
I'd give it all up for you  
Nothing I won't do  
I'd give it all up for you  
I'd give it all up  
For your love  
I'd give it all up for you  
I'd give it all up  
For your love  
Let's take it back to basics
