

In It With You

Craig David

As long as I'm in it
As long as I'm in it
As long as I'm in it with you

Same old stories
Same old distant memories
Same old talking, disagreeing
About those same old apologies
Same old feelings
Love is still alive
Baby, I'm as crazy 'bout you as the day I met you
Till the day I die

I'll always be right by your side
Always be by your side
There ain't nothing we can't get through

'Cause as long as I'm in it
As long as I'm in it
As long as I'm in it with you
Always be by your side
As long as I'm in it
As long as I'm in it
I'll always be winning with you
Loving you all the time
Every day, every night, yeah
I'll always be there
I'ma stay by your side, yeah
Ain't nothing I won't do
As long as I'm in it
As long as I'm in it
As long as I'm in it with you

Baby, baby, love don't get old
I feel the same thing, same me
I don't know what it is but it's
Amazing, amazing
Your arms will always be home
I just want you to know, ooh

I'll always be right by your side
Always be by your side
There ain't nothing we can't get through
Ain't nothing we can't get through

'Cause as long as I'm in it
As long as I'm in it
As long as I'm in it with you
Always be by your side
As long as I'm in it
As long as I'm in it
I'll always be winning with you
Loving you all the time
Every day, every night, yeah
I'll always be there
I'ma stay by your side, yeah
Ain't nothing I won't do

As long as I'm in it
As long as I'm in it
As long as I'm in it with you

As long as we're living
We'll always have loving
The seconds, the minutes
'Cause time don't mean nothing
As long as I'm in it
As long as I'm in it
I'll always be in it with you

As long as I'm in it
As long as I'm in it
As long as I'm in it with you
Always be by your side
As long as I'm in it
As long as I'm in it
I'll always be winning with you
Loving you all the time
Every day, every night, yeah
I'll always be there
I'ma stay by your side, yeah
Ain't nothing I won't do
As long as I'm in it
As long as I'm in it
As long as I'm in it with you
As long as I'm in it with you
