We can hit a party
It's going off your dance for sure
Ready to get this started

You know that you want it
You know that you want it, yeah
So if you came to party
Leave your worries at the door
Give me a signal if you're ready, ready, ready
(Now my selecta)

Man, man I ask for the reload
Man, man I ask for the reload
Gyal I'ma fall for it
Gyal, gyal I'ma fall for it
Man, man I ask for the reload
Man, man I ask for the reload
Gyal I'ma fall for it
Gyal, gyal I'ma fall for it, fall for it
Man, man I ask for the reload
