

## Talk to Me Pt. II

Craig David

Hey, how you doing?  
Yah I'm now little fine  
About to chilling and wine

Sitting relaxing here with a glass of wine  
But boy you know just what I'm wanting  
Come over to mine  
Yeah I like the vibe  
I be right over and we can kick it one time

Always imagine the day  
You had me feelin' this way  
Didn't take much to get me going  
Right out of worth to say  
Things that is time to quit playing  
All you gotta do is

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Hands on your body now  
(Hands on your body now)  
Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Talk to me, talk to me, talk to me

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Hands on your body now  
(Hands on your body now)  
(Hands on your body now)

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Talk to me, talk to me, talk to me

Hey, where are you  
Set a parked outside  
Sitting in my ride  
Thinking of other things we gon' tonight  
And I can hear your body's callin'  
Did you next to mine  
Now just what I like  
Don't give me a way and I make you insane

Always imagine the day  
You had me feelin' this way  
Didn't take much to get me going  
Right out of worth to say  
Things that is time to quit playing  
All you gotta do is

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Hands on your body now  
(Hands on your body now)

Talk, Talk, Talk, Talk, Talk

Let your body (talk to me)  
Talk to me, talk to me, talk to me

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Hands on your body now  
(Hands on your body now)

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Talk to me, talk to me, talk to me

All you gotta do to  
All you gotta do to see your body  
All you gotta do is  
All you gotta do to see your body

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Hands on your body now  
(Hands on your body now)

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Whispering, whistling you softly  
You turn on say (that your body)

Talk, Talk, Talk, Talk, Talk  
Let your body (talk to me)  
Hands on your body now  
(Hands on your body now)  
Talk, Talk, Talk, Talk, Talk  
Talk to me, talk to me, talk to me
