

Mack Come Thru

Craig Mack

Mack come thru on the club
Uh

Rap sick to destroy these cats
Lay em out flat
Hold your caps
Its over
Holdin it back
Maybe go, baby bro
Geronimo
Time to glow
Ain't no holdin me back
Cuttin like the princess, the crown jewel
Drinkin booze in your sunday shoes
If you thought for a minute
Bitch wanna suck my dick?
I put the jag on cruise
So I do's the speed limit
and tinted
Analog instrumented
Kind of amazing what the white man invented
I'm in it to win it
Saturday night
New york light
Gettin' pussy 'cause the talk is right
Sugar delight
Step up in the club like a Swat team
With crazy Ice on, nigga get some VISINE
'Cause if this earth stop spinnin in 2001
You can't say we ain't have no fun
My nigga It's Mack

Mack come thru on the club
Uh
Mack come thru

Rap better than these Joe Schmo's
These lyin ass niggas, Pinocchio's
Niggas fix your clothes
This the twenty first century
Think niggas won't remember ME?
Come on with that
I'm chosen, Black
Mack like the Truck with the dog on the hat
Be careful what you say, they make morgues for that
And fuck bitches
Niggas that's why there's Whores for that
What you niggas thought I was at the laundry matt?
Gettin' washed up?
Nigga I'm total forced up
Back to back table gettin monkees tossed up
Niggas need to see me 'cause the cost goin' up
Niggas scared to see me like the boss showin' up
I'm enforcing this stuff
You wasn't awesome enough
You should be lost for your stuff

Jumpin on my dick but ya hands is too rough
And who am I? I'm the man that was dancin with Puff
I'm Mack

Mack come thru on the club
Uh
Mack come thru

Rap alley cat, trench rocker
Shocker, shocker, head knocker
Fifth of Vodka
Doctor operating
Sign of , Administration
Menstruation, Bloody mess,
Me and my cats the mouse
Worlds pronounced, looking glorious in luxurious whips
like got voice command
Level protection got 60 grand
Who starving?
Me and my minks beg your pardon
Alarming and charming, court side at the garden
and Craig Mack is like Batman and Robin
With the cream of Baskin-Robbins
So while you sobbing and dissolving
My neck will stay chilly
Real pieces, not big shit that look silly
Smoke bigger than willy
Not wooly and cooly
Fuck around and get smashed from the tooly
I ain't playin it's Mack

Mack come thru on the club
Uh
Mack come thru

Haaa
Boom boom boom
Uhh
Boom boom boom
Ba boom boom boom boom
Come thru on the club
