I said it's freaky-freaky Friday and I'm chillin on the corner  
Hangin with my niggas makin figures that I'm gonna  
Have the tunes blastin so fasten ya seat belt  
Cuz AHHHH, blunted, I'm gonna make it melt  
Had buddah in my head I musta smoked about a dime  
When I seen this big behind, shakin like my rhyme, duke  
I told my whole crew  
I said ya busy hon but yo, yeah me too  
I said my name is Mista Mack and I'm makin all the green  
So honey you get vain and lets hit the scene  
She said Mista Mack aiyyo Shinika's what they call me  
Used to be from ?? but now I'm up in ??  
I said Shinika, ya make my body weaker  
You're boomin like L speaker and boy I'd love to freak ya  
So I slipped my 20s to my man and hit the spot  
Showed my knot, Shinika got hot  
I opened up the door and yo in just a minute later  
Had her snappin at my zipper like a hungry alligator  
See, a sneaky-freaky MC is who I be  
When it's time to step up inside a bitch's body
