

Anymore

Craig Wayne Boyd

I can't hide the way I feel about you anymore
I can't hold the hurt inside, keep the pain out of my eyes anymore

My tears no longer waiting my resistance ain't that strong
My mind keeps recreating a life with you alone
And I'm tired of pretending that I don't love you anymore

Let me make one last appeal to show you how I feel about you, h
mmmm

Cause there's no one else I swear, holds a candle, anywhere, ne
xt to you

My heart can't take the beating of not having you to hold
A small voice keeps repeating deep inside my soul
It says I can't keep pretending that I don't love you anymore

I've got to take the chance or let it pass by
If I expect to get on with my life
With my life

And I can't hide the way I feel about you anymore
And I can't hold the hurt inside, keep the pain out of my eyes
anymore

My tears no longer waiting
Oh, my resistance ain't that strong
Oh, my mind keeps recreating a love with you alone
And I'm tired of pretending I don't love you anymore, anymore,
anymore
