# 1 Deep

**Craig Xen**

Yo
Yeah
Why I be 1 deep? Cause I don't trust shit
Why I keep the piece? Cause I don't trust shit
Why I be 1 deep? Cause I don't trust shit
Aye, aye, yuh
57 on the track boy

Why I be 1 deep? Cause I don't trust shit
Why I keep the piece? Cause I don't trust shit
Evidently everybody fuckin' with me
They forgot that I don't fuck with everybody back nigga

Back, back 50 feet I'ma need it, yuh
I get paranoid bitch I might bust you if you reach for that
I can't tell the difference, I can't tell the difference, huh
I don't know who with me I assume that they against me, hey

Yeah my brother told me not to keep that pistol on me
He know how I get when my anxiety increase
I might leave you leakin' where you standing
Leave a lesion when I'm at it
Cause I blank out when I panic nigga

Why I be 1 deep? Cause I don't trust niggas
Why I keep the piece? Cause I don't trust niggas
Evidently niggas say they fuck with me
They forgot that I don't fuck with no nigga back

I be solo dolo
Hold up, this nigga thinkin' that he know me
I don't know though, hold up
Better not approach me for no photo
I keep, keep that weapon
I be post traumatic stressed, and get to questioning
Who's his associates, what's his intentions
I be ducked off, less the niggas around me
The less that I get fucked off
I'm a sinner homie, I don't even trust God
Bitch I'm noided 'till the death of me
I'm definitely mentally unstable so don't test me

Why I be 1 deep? Cause I don't trust shit
Why I keep the piece? Cause I don't trust shit
Evidently everybody fuckin' with me
They forgot that I don't fuck with nobody back nigga
Why I be 1 deep? Cause I don't trust shit
Why I keep the piece? Cause I don't trust shit
Evidently everybody fuck with me
They forgot that I don't fuck with nobody back nigga

1 deep
1 deep
1 deep
1 I be, 1 deep
1 deep
1 I be, 1 deep

1 I be 1 deep
1 I be 1 deep
1 I be 1 deep
Less the niggas around me
The less that I get fucked over
57 on the track boy
Not to keep that pistol on me
You know how I get when my anxiety increase
