Schema the posse I [?] into the coast  
Snipe with precision  
We slice for the throat  
Underground overlords and we're taking the crown and stand up to the dictators holding the ground  
Into the cauldron they go if they get too [?]  
Coldest ones that we be up in the power  
We know that you know that we know you a coward  
Witness the genocide  
Witness the riddance of pussy ass niggas who stalk on the internet  
Talking like they about something  
We know that you bluffing  
You're nothing to us  
Niggas be something engraved in your mind  
Never stop busting  
We pimping and grind  
Patiently waiting  
We came and we takin' with no opposition on top of the underground

Schema that clique  
K-R-double E-P

In the bitch  
Running that lick  
Go to Sleep in a ditch  
Schema that clique  
K-R-double E-P  
Craig Xen  
Make you wanna bite your fucking teeth to the motherfucking curb  
Put an end to this shit, bitch

[?] saying my name  
I never really wanna hear another talk about xans and how your pop and your momma would be getting no ends  
[?] but you hiding behind a screen  
Under the cover [?]  
Bitch I'm the GHOSTE  
But K-R-double E-P more dangerous than an overdose  
So what happened to all the shit you was talking about you be shooting [?]  
So what happened to all the shit you was talking about you be getting a suck from these chicks  
And now keep that in mind that the hoes you be talking about in my in box is that you a bitch  
Schema the posse igniting your city and burning that shit till it's n

othing but ashes
