

# CHOPSTIX

Craig Xen

Nigga, ra-ta-ta-ta  
Raaa, raaa, ra-ra-raa  
It go ra-ta-ta-ta  
When that, it go voo-voo-voo-voo  
I'm with' yo' bitch, she gon' slob on my knob  
Got a 9 to 5, but I do what I want

When that choppa spit, it go ra-ta-ta-ta  
When that Glock spit, it go voo-voo-voo-voo  
I'm with' yo' bitch, she gon' slob on my knob  
Got a 9 to 5, but I do what I want  
When that choppa spit, it go ra-ta-ta-ta  
When that Glock spit, it go voo-voo-voo-voo  
I'm with' yo' bitch, she gon' slob on my knob  
Got a 9 to 5, but I do what I want

Look, I do what I want, what you sayin' nigga?  
Yeah, I'm gettin' bread but I won't break it with' ya  
Why you hit me, actin' like I owe you some?  
I don't owe you none, boy, you bluffin'  
Let me tell you some  
Ever since an itty-bitty-jit-a-bug  
I've been stiff, you couldn't kick it, you weren't stiff enough  
I was militant, with' ill intentions  
Doin' anythin' that I had to do to get my paper up

When that choppa spit, it go ra-ta-ta-ta  
When that Glock spit, it go voo-voo-voo-voo  
I'm with' yo' bitch, she gon' slob on my knob  
Got a 9 to 5, but I do what I want  
When that choppa spit, it go ra-ta-ta-ta  
When that Glock spit, it go voo-voo-voo-voo  
I'm with' yo' bitch, she gon' slob on my knob  
Got a 9 to 5, but I do what I want
