I'm thinking 'bout trappin' again  
This rap shit ain't you think it is  
Truth of the matter of fact is these underground niggas is broke than a bitch  
See that means myself included  
I ain't afraid to admit it  
See that's the difference between Xen and these other lil niggas all preaching they fibs

Thinking 'bout trappin' again  
I think I might clap me a bitch  
And dig in his wallet pull out his ID and his keys hit a lick on his crib  
Xen at the bottom the rock  
Xen need a clip and a Glock  
Then find a target pop off and I'll pawn all his shit in the morning and shop

Ay  
Thinking 'bout trappin' again  
Thinking 'bout trappin' again  
Contemplate trappin' again  
My pockets they full of that lint  
I'm thinking 'bout trappin' again  
I'm thinking 'bout trappin' again  
I contemplate trappin' again  
My pockets they full of that lint

God damn Craig Xen  
You're a motherfucking legend  
Yo you're riding on the velour magic carpet through the underground

2016 you're slapping these SoundCloud rappers across the face with the Allen  
Iverson arm sleeves on  
Rolling up backwoods with their ashes  
Putting it out on they're motherfucking leg hairs and all that  
Yo I heard Craig Xen got a size 16 shoe no homo  
And he's stepping on all y'all rappers this year  
Like, like, like, motherfucking Godzilla
