

## WHY

Craig Xen

Tell me why  
Why won't you look into my eyes forever?  
Why would you tell me that we'd die together  
Why won't you look into my eyes  
Whenever I'm talkin' to you? (Tell me why)  
Why won't you look into my eyes forever?  
Why would you tell me that we'd die together  
Why won't you look into my eyes  
Whenever I'm talkin' to you? (Tell me why)  
(Tell me why)  
(Tell me why)

Why won't you look into my eyes forever?  
Why would you tell me that we'd die together  
Why won't you look into my eyes  
Whenever I'm talkin' to you? (Tell me why)  
Why won't you look into my eyes forever?
