

Here Comes The Snow

Cranes

'Till dawn
Don't open your eyes
'Till dawn
Don't open your eyes
'Till dawn

[?] place you can go
He asked which you should show

Don't you know
Didn't know
And God didn't know
Didn't know

And God didn't know

God didn't know
Can't find his way home

And here comes the snow
Can't find his way home
Yeah, here comes the snow
Can't find his way home
