

# Make It Last

Crash Adams

Look at you  
You got enough to make me dance all night  
We'll loose your friends we can sneak out with the band  
'Cause I wanna make it last all night

Come on, come on, come on, come on, ooh  
'Cause I love the way you move when you're doing what you do  
Come on, come on, come on, come on, ooh  
'Cause I wanna make it last all night  
Stop me baby in the middle of the dance  
'Cause I wanna make it last all night  
Watch me baby if you wanna take my hand  
'Cause I wanna make it last all night  
Come on, come on, come on, come on, ooh  
'Cause I love the way you move when you're doing what you do  
Come on, come on, come on, come on, ooh  
'Cause I wanna make it last all night

We'll take a drive  
We'll paint the city like we did it when we crashed your dads ride  
We drove past, you wanted to go fast  
Said I wanna make it last all night

Come on, come on, come on, come on, ooh  
'Cause I love the way you move when you're doing what you do  
Come on, come on, come on, come on, ooh  
'Cause I wanna make it last all night  
Stop me baby in the middle of the dance  
'Cause I wanna make it last all night  
Watch me baby if you wanna take my hand  
'Cause I wanna make it last all night  
Come on, come on, come on, come on, ooh  
'Cause I love the way you move when you're doing what you do  
Come on, come on, come on, come on, ooh  
'Cause I wanna make it last all night

(Stop me baby 'cause I wanna make it last all night)  
(Come on, come on, come on, come on, ooh)  
(Cause I wanna make it last all night)

('Cause I wanna make it last all night)  
Stop me baby in the middle of the dance  
'Cause I wanna make it last all night  
Watch me baby if you wanna take my hand  
'Cause I wanna make it last all night  
Come on, come on, come on, come on, ooh  
'Cause I love the way you move when you're doing what you do  
Come on, come on, come on, come on, ooh  
'Cause I wanna make it last all night
