

Shaking Like an Animal

Crash Kings

27 hour in a cheap motel
I'm feeling stifled 'cause I lost my flow
I'm losing feeling like a numb farewell
Chain me to the wall until I lose control
I'm shaking like an animal

Soon my friend, I'm really gonna try and line
So shoot me
Soon my friend
I'm tryna find a way to uncover a true silver lining

Show me how you get down on the old dance floor
Want you to shake it baby don't slow down
Another drink and then we're out that door
Hundred miles an hour 'till we hit the next town
I'm shaking like an animal

Soon my friend, I'm really gonna try and line
So shoot me
Soon my friend
I'm tryna find a way to uncover a true silver lining
Soon my friend
I'll be staring at the moon, my friend
But suddenly I'm blind
and laughing like there's no tomorrow
I'll be laughing like there's no tomorrow
