Ooh, ooh, ooh  
Yeah

Blossom in my days  
In the street filled with spring sunlight  
We dance and take a step together  
You and me under the light pink flowers, ooh, baby

Anything's fine with you by my side  
All day, I'm getting good vibrations  
You give me the brightest season  
Dream filled with fragrance your lips getting colored  
I wanna taste that

Cherry on top, don't stop  
Everything tastes so sweet  
Come to me, please you  
Ooh, ooh, ooh  
Cherry on top, you're mine

White ice cream  
As it melts, I kiss you  
Ooh, ooh, ooh

Ready or not? Ready or not?  
Ready or, cherry on, cherry on top  
With you  
Ooh, ooh, ooh  
Ready or not? Ready or not?  
Ready or, cherry on, cherry on top  
With you  
Ooh, ooh, ooh

Oh my, this tingling feeling  
Sugar rush, this dizzy chilling  
So good, wanna love you  
Spring coming from somewhere when I see you, need you  
Meet you, the smell of coffee makes me feel good  
See you in the cafe around PM  
I have a lot to prepare, I'm getting excited like crazy

You can freely lean on me  
This is our very own love vacation  
Unrealistically beautiful flowers are falling  
I'm sure I'm inside a dream of youth  
I wanna feel that

Cherry on top, don't stop  
Everything tastes so sweet  
Come to me, please you  
Ooh, ooh, ooh  
Cherry on top, you're mine  
White ice cream  
As it melts, I kiss you  
Ooh, ooh, ooh

Your eyes reflecting me  
View seen in those eyes  
I'll hold your hand and move  
One step more  
Spending another day  
Sweetly falling into you  
You make me little smile  
Hurry up and come to me

Cherry on top, so shine  
It's so sweet (Oh, baby)  
All my answers it's you  
Ooh, ooh, ooh  
Cherry on top, don't stop  
I feel it when I dream  
While I've fallen for you, I kiss you  
Ooh, ooh, ooh

Ready or not? Ready or not?  
Ready or, cherry on, cherry on top  
With you  
Ooh, ooh, ooh  
Ready or not? Ready or not?  
Ready or, cherry on, cherry on top  
With you
