Oh, oh
Oh, oh
Oh, oh
Over and over again

Oh, oh
Oh, oh
Oh, oh

In the blink of an eye
Woah, I wonder how you'll feel if I stand in front of you
Without knowing how I got here
The more I think about it, the deeper I fall into my imagination
If I could get back the days I spent without you
I'll even forget the present to get to you
But I still gotta let you know

Even if I lose all my memories
Even if I go back to the start
Over and over
I'll repeat it over and over
In order to take you back
I don't care even if I have to walk the path
I've taken again and again
I'll find you over and over
I'll recognize you in a second
Just start again

Maybe this was all a coincidence
But when I first saw you I believed it was fate
And I'll always think that way (I didn't want to let you go)
If the times when we missed each other so far
Were all to meet you
Then maybe we've already met in another time
But I still gotta let you know

Even if I lose all my memories
Even if I go back to the start
Over and over
I'll repeat it over and over
In order to take you back
I don't care even if I have to walk the path
I've taken again and again
I'll find you over and over
I'll recognize you in a second
Just start again

Even if my memories get hazy one day
You are too beautiful to forget
If we ever get to meet again
Will you still be the same
But I still gotta let you know

Even if I lose all my memories (Oh)
Even if I go back to the start
Over and over

I'll repeat it over and over (Oh)
In order to take you back
I don't care even if I have to walk the path
I've taken again and again
I'll find you over and over
I'll recognize you in a second
I'll go to you no matter how many times I have to

Oh, oh
Oh, oh
Oh, oh
Over and over again
