This is the time to get reckless
It's time to go, all wild, wild west
Welcome to my rodeo, I'm on a no hesitation mode
This feels fantastic, it's drivin' me crazy
Open your eyes wide, don't stop, keep running
Just keep running, I'm, pum-pum, ready to go

When our eyes meet
Your everything pulls me to you
I won't hold back anymore
I'll run forward with everything I got right now
My love's popping endlessly
Nothing can stop it
Feel like crazy, without leaving anything
Pour everything you got

It doesn't matter whether you're ready or not
Burn the fire, fire, all in
Jump in whether you're ready or not
In this excitement, it's time to ready set go
(Oh, eh-oh, eh-oh) Feels like it's gonna explode
(Oh, eh-oh, eh-oh) My heartbeat's getting loud

Let's go
Breathe out from the start
I'll be running when I'm on fire, you gotta lay low
'Cause I'll be coming in hot, ready or not, don't be afraid, give it a shot
Look straight ahead, never stop, get set, ready, go
Left or right, just tell me where you wanna go
Where you at? I'll go there
Think deep about it, no more
Speed up, no matter what you do, yeah

I'm out of control
Only this feeling fills me up

I'm gonna go all extreme
No matter what others say, I'm going my way right now
This overwhelming emotion's getting higher
Nothing can stop it
Feel like crazy, no matter the place
I keep running

It doesn't matter whether you're ready or not
Burn the fire, fire, all in
Jump in whether you're ready or not

Should I go to you?
Even though I can't breathe
I'm getting closer
To the view of only you
So that I won't have any regrets
I'll focus on you only tonight
Nothing else matters now

It doesn't matter whether you're ready or not
Burn the fire, fire, all in
Push through whether you're ready or not
