

# Fuck Me (I Didn't Know How To Say)

Crawlers

I wanna be kissed like when I was small  
You grew up and I got smaller than before  
You went to clean up while I was shaking on the floor  
But I didn't know how to say I don't want you near me  
You deserved better, so I gave you my body

Time to count the kisses I've spent  
I use my body to pay the rent  
I said it was fine in your defense  
But I didn't know how to say I don't want you to touch me  
I didn't know how to say I don't want you to touch me  
I didn't know how to say I don't want you to touch me

I'll love  
Myself if you touch me like that  
Can't speak  
Hold off my panic attack  
Use me  
Use me if you just insist  
That you love  
The body you refuse to kiss

I'm not used to being loved  
The kisses that led to sex were close enough  
I'm in a stranger's arms, a stranger's bed, I can't relax my fucking head  
I didn't know how to say I don't want you near me  
I didn't know how to say I don't want you to touch me  
I didn't know how to say I don't want you to fuck me

(I'll love  
Myself if you touch me like that) Fuck me  
(Can't speak  
Hold off my panic attack) Fuck me  
(Use me  
Use me if you just insist) Fuck me  
(But you love  
The body you refuse to kiss)

(Love me) Fuck me  
(Use me) Love me

But you didn't know how to say I want you to love me
