Come on and make it, let me see that fire

Come on and catch me
Uh uh right now
Come on and touch me
Shimmy shimmy ya

Can not see
Just close your eyes
Spread your wings wide
My fantasy

A dreamy feeling like a dream
Get into deeper
Now open it up the new world

Our secret, secret, secret, secret oh oh
I know I know I know I know oh oh
Do not stop it
And lets get trapped in time

Bring your body
Color into your character
You're the only one who can take me
So that my closed heart opens up

You and I are now
Are trapped in this fantasy
And lets get out of dream

Lets go up to the sky
And dance with gods
We gon' high yeah
You want me shimmy shimmy ya

Bring it
Don't give it up
Don't give it up uh uh

Uh uh
Don't stop
Don't give it up
Don't give it up
And sing loudly

Drop, drop it down

Come on and make it, let me see that fire

They wanna keep keep dancin'
And I don't wanna keep keep stopin'
I'm burning up
Hit it harder
Follow my lead

Pull the trigger
For no more regrets
Bang bang shimmy shimmy ya
Throw the dice
I know I fake it, trick it

You and I are now
Are trapped in this fantasy
And lets get out of dream

Lets go up to the sky
And dance with gods
We gon' high yeah
