

# Call of the Wild

Crazy Lixx

Have you tasted sin? Let it burn within  
Have you forsaken love and felt the lust for blood?  
Creatures of the night, sub-human parasites  
Sisters and brothers all who carry the devil's sign

Tonight it's coming down to the wire  
I'm finally at the end of the rope

I hear it calling in the dead of the night  
Unleash the animal, hear the call of the wild

We dwell among the shadows, neither alive nor dead  
Unholy desperados, always seeing red  
We're gonna live forever; we never feel no pain  
Taking blood for pleasure, spreading the curse of Cain

I give into the rage and surrender control

I hear it calling in the dead of the night  
Unleash the animal, hear the call of the wild

I can feel it coming, oh, oh, taking hold of the mind  
Bring out the beast within; it's the call of the wild

I hear it calling in the dead of the night  
Unleash the animal, hear the call of the wild

I can feel it coming, oh, oh, taking hold of the mind  
Bring out the beast within; it's the call of the wild
