

# Invincible

Crazy Lixx

It's gonna' take a lot to make it  
But it's a road that I must choose  
Well I can take it once I realize  
That I got nothing to lose

You better give it up  
Some people gonna' say  
You'll never reach the top  
Well I'm gonna' do it anyway  
You're thirty years too late  
There'll be a cold day in hell  
Before I throw in the towel  
And wait for the bell

Through the storm  
I held my own  
A force on one  
Standing tall  
I'm invincible  
Beat and worn  
Ragged and torn  
Yet stronger than ever before  
I'm invincible

On this long, endless highway  
It's been a million dirty miles  
But looking back now I would do it all again  
In the blink of an eye

Why don't you give it up  
They're tellin' me again  
You don't know when to stop  
Cause I'm in it to the end  
No time to hesitate  
Well there'll be a cold day in hell  
Before I walk of the big stage  
And say my farewells

Through the storm  
I held my own  
A force on one  
Standing tall  
I'm invincible  
Beat and worn  
Ragged and torn  
Yet stronger than ever before  
I'm invincible

Through the storm  
I held my own  
A force on one  
Standing tall  
I'm invincible  
Beat and worn (so beat and worn)  
Ragged and torn (I'm ragged and torn)  
Yet stronger than ever before  
I'm invincible

A force on one  
Standing tall  
I'm invincible  
Yet stronger than ever before  
I'm invincible
