Crazy Lixx

Outlaw
Outlaw
Outlaw

I've been down this valley far too many times
It's a darkened prison alley, where love is the crime
You're an outlaw with a black heart
Tell me, how could I've ever known
I'd be down on my knees baby begging you please don't go

Just like an outlaw, you stole my heart and soul
Just like an outlaw, you cut me to the bone
Just like an outlaw, a quick draw
You shot me with your love gun
Just like an outlaw

You took me out of pity and left me wanting more
Now I'm a stranger in this city, like a stray cat at your door
But you're a cheater, a mistreater
I could tell that you're just no good
Yet I can't seem to break this addiction I've got for you

Just like an outlaw, you stole my heart and soul
Just like an outlaw, you cut me to the bone
Just like an outlaw, a quick draw
You shot me with your love gun
Just like an outlaw

Outlaw

Outlaw, you stole my heart and soul
Just like an outlaw, you cut me to the bone
Just like an outlaw, a quick draw
You shot me with your love gun
Just like an outlaw

Outlaw

Outlaw
Ooh, like an outlaw
Oooh, like an outlaw
Outlaw
Outlaw
Outlaw, like an outlaw
Outlaw
Outlaw
Outlaw, like an outlaw
