

The Gamble

Crazy Lixx

I see a picture bind above
And I still can't believe that we're through
Keep the pillow to my face
It still has the smell of you perfume

It's been too many nights without any sleep
But I've never been so tired in my life
But every time I try to close my eyes
I just see you telling me goodbye

So tell me is this what you wanted
Is this what I've got
Nobody told me that love was a gamble with life
And I should've known from the start, yeah
My heart's on the line
But nobody told me that love was a gamble with life

No matter what I try to do
I just can't stop thinking of you
And nobody else, nobody knows
What it's like to lose you

Is this what you wanted
Is this what I've got
Nobody told me that love was a gamble with life
And I should've known from the start, yeah
My heart's on the line
Nobody told me that love was a gamble with life, life, life
Oh yeah

Nobody told me, no one told me, oh yeah
