

# Weekend Lover

Crazy Lixx

It's all fun and games  
Til somebody breaks their heart  
Some things never change  
You come running to me  
Every time he lets you down  
Guess who's back again

But you never make up your mind  
I'm tired of foolin' around  
This is the end of the line  
And I'm telling you

I don't want you back  
I won't be your go-to man  
So don't come running here  
Looking for a lover  
I don't want you back  
Things are nothing like before  
So don't go knocking on my door  
When you need another  
Weekend lover

(Weekend lover)

You better come to your senses  
I won't be sticking around no more  
Longing for the night to come  
No I won't be waiting this time  
Livin' for your handouts  
This is the end of the line  
And I'm telling you

I don't want you back  
I won't be your go-to man  
So don't come running here  
Looking for a lover  
I don't want you back  
Things are nothing like before  
So don't go knocking on my door  
When you need another  
Weekend lover
