

Wrecking Ball Crew

Crazy Lixx

See it down the road
A beast of dust and smoke
You know the time is here
What you gonna' do when they come for you

The grinding of its wheels
Breaking stone and steel
You're paralyzed with fear
So where you gonna' run when the time has come

It's the wrecking ball crew
I'll tell you what we'll do
We're gonna' rock this city black and blue
We're the wrecking ball crew
We're coming after you like a wrecking ball

We're knocking down your door
We're coming to wage war
Time to pay your dues
What you gonna' say when it comes your way

The unrelentless best
There ain't no retreat
It's pounding round the clock
It never eats, never sleeps, never stops

It's the wrecking ball crew
I'll tell you what we'll do
We're gonna' rock this city black and blue
We're the wrecking ball crew
We're coming after you like a wrecking ball

Here comes the wrecking ball
Can you hear it knocking

So what you gonna' do
When we come for you

It's the wrecking ball crew
I'll tell you what we'll do
We're gonna' rock this city black and blue
We're the wrecking ball crew
So what you gonna' do
Where you going to
We're coming after you like a wrecking ball
