## Politician

Hey now baby, get into my big black car Hey now baby, get into my big black car I wanna just show you what my politics are.

I'm a political man and I practice what I preach I'm a political man and I practice what I preach So don't deny me baby, not while you're in my reach.

I support the left, tho' I'm leanin', leanin' to the right I support the left, tho' I'm leanin' to the right But I'm just not there when it's coming to a fight.
