```
Hello my friend we meet again it's been a while
               Н
                     G
where shoud we begin feels like forever
within my heart are memory
a perfect love that you gave to me.
Oh I remember
             D
                       Asus2
When you are with me I am free
    Н
I am careless
I believe
                           Asus2
above all the others we'll fly
              Н
this brings tears
to my eyes, my sacrifice
We've seen our share of up and downs Oh
how quickly life can turn around in an instant
it feels good to reunite, within yourself and
within your mind lets find peace there
I just want to say hello again
