

# Sacred Blasphemy

Creeper

Beyond the black horizon, the abyss  
Beckons to her at once  
She keeps around her neck a crucifix  
But she so longs to come  
Come under my spell  
A kiss upon the mouth of hell

I feel her calling out to me  
Preaching sacred blasphemy  
A malicious fantasy  
"Give me sacred blasphemy!"

You dream of demons and desire  
A devil you can't abstain from  
Wait to pass the spells of oblivion  
Come under my spell  
A kiss upon the mouth of hell

I feel her calling out to me  
Preaching sacred blasphemy  
A malicious fantasy  
"Give me sacred blasphemy!"

"Then after desire has conceived, it gives birth to sin and full-grown sin gives birth to death."

I feel her calling out to me  
Preaching sacred blasphemy  
A malicious fantasy  
"Give me sacred blasphemy!"
