

# This Is How I Disappear

Creeper

To un-explain the unforgivable  
Drain all the blood and give the kids a show  
By streetlight this dark night, a séance down below  
There're things that I have done  
You never should ever know

And without you is how I disappear  
And live my life alone forever now  
And without you is how I disappear  
And live my life alone forever now

Who walks among the famous living dead  
Drowns all the boys and girls inside your bed  
And if you could talk to me, tell me if it's so  
That all the good girls go to heaven  
Well, heaven knows

And without you is how I disappear  
And live my life alone forever now  
And without you is how I disappear  
And live my life alone forever now

Now, you wanna see how far down I can sink?  
Let me go, fuck  
So, you can, well now so, you can  
I'm so far away from you  
Well now so, you can

And without you is how I disappear  
And without you is how I disappear  
And without you is how I disappear  
And without you is how I disappear  
Is how I disappear
