

Broken Heroes

Crematory

Broken heroes - they never forget
Fallen heroes - history overdrive
Broken heroes - nothing to regret
Fallen heroes - mission survive

Broken heroes - fallen heroes

One basking in glory - with valor and power
Strength and energy for positivity - eyes and ears
Steeled for the task
Responsibility

Broken heroes - they never forget
Fallen heroes - history overdrive
Broken heroes - nothing to regret
Fallen heroes - mission survive

Broken heroes - fallen heroes

Fight against the evil - serving the good cause
Fear of the unknown is too immense - the heart
Once proud and strong
Unbreakability

Broken heroes - they never forget
Fallen heroes - history overdrive
Broken heroes - nothing to regret
Fallen heroes - mission survive

The names forgotten - the feelings lost
The place is empty - fire and frost

Broken heroes - they never forget
Fallen heroes - history overdrive
Broken heroes - nothing to regret
Fallen heroes - mission survive
