

Inglorious Darkness

Crematory

Loneliness in the darkest hour
Don't speak with me - shattering echoes
Rotten seeds of miseration
Don't bleed for me - lost domination

Like an endless lake of tears
Like a burning damnation
Like an eternal path of fears

Inglorious darkness
Inglorious darkness
Inglorious darkness
Inglorious darkness

Invocation of the old ones
Don't play with me - second funeral
No hope of this revelation
Don't pray for me - blind isolation

Like an endless lake of tears
Like a burning damnation
Like an eternal path of fears

Inglorious darkness
Inglorious darkness
Inglorious darkness
Inglorious darkness

Forget the world that I wounded
Forgive grace for I have sinned
Forget the time that I wasted
Forgive this life I have killed

Inglorious darkness
Inglorious darkness
Inglorious darkness
Inglorious darkness
