

Inside My Heart

Crematory

Inside my heart - inside my mind
Inside my heart - inside my mind

You remember your way - I am here to rise the dark
You are cut to fight the fate - we were born before the fire
To hear that what we are - the will to join me
For the fallen - to fall in love

I don't want to die - fall into your dreams
The harder they fail - the story of the end

Inside my heart - inside my mind
Inside my heart - inside my mind

You remember your past - I am here to raise the voice
You are burned to see the night - we are ready for the time
To believe why we are born - the force to obey the forgotten
To fall in love

I don't want to die - fall into your dreams
The harder they fail - the story of the end

Inside my heart - inside my mind
Inside my heart - inside my mind

I want you to know - beware - no fakes no lies
Why we fall in love together - together - we shine forever
I am tortured in fire - sacrifice me for your hope
Drowning before the time together

Inside my heart - inside my mind

Inside my heart - inside my mind
Inside my heart - inside my mind
