

Until We Meet Again

Crematory

A lifetime together, so habit and so peerless
The days pass with the prospect of the weekend
Now is the time to say goodbye
One last look, one last word, then you leave me here

Why do you leave me here alone
Leave me here alone
Every day is lost without your soul
Lost without your soul

When the time is right for them
Until we meet again
When the time fades for us
Until we meet again

I like to remember our stories and good memories
Everything so simple, everything so beautiful
Now the truth comes to look ahead
One last thought, one last greeting, one day I will follow

Why do you leave me here alone
Leave me here alone
Every day is lost without your soul
Lost without your soul

When the time is right for them
Until we meet again
When the time fades for us
Until we meet again

Until we meet again
Until we meet again

No matter how long it takes
No matter where you are
No matter what happens
Some day we will be together as one

When the time is right for them
Until we meet again
When the time fades for us
Until we meet again

When the time is right for them (right for them)
Until we meet again (we meet again)
When the time fades for us (fades for us)
Until we meet again
