

## Circles

### Crime Mob

I'm an ever spinning top  
Whirling around 'till I drop  
Oh, but what am I to do  
My mind is in a whirlpool  
Give me a little hope  
One small thing to cling to...

(2x)

You got me going in circles  
Oh, around and around I go  
You got me going in circles  
Oh, around and around I go

First you go and tell me this  
then you go and doin that  
its mixed signals in my head  
you neva give me straight facts  
comin at me with these stories  
taken up a playa time  
you seemed confused up in yo head  
and you can not make up your mind  
I'd be the first one to listnin  
but i think its disrespect  
lyin thru yo teeth talkin out the side of yo neck  
got me goin round and round  
make a playa wanna hurt ya  
thinkin that you was straight up  
got me goin in a circle

Ay, my head is constantly spinnin twistin  
cuz Nadas was trippin on me  
first time for ya lovy dubbi  
and now he call me his homie  
wishy washy kinda feelin  
tryna play wit my emotions  
and mumbled the words I LOVE U  
went then said that he was jokin  
stuffed up in the mind  
tough love is what he calls it  
I don't read between the lines  
now u need to get the talkin  
spell it out and make it clear  
dont tell me what i wanna hear  
yes or no jus gon and say it  
cuz inside I'm goin crazy...

I'm strung out over you (you, ova you...)

Yes it relaxes me, satisfactory,  
treat me like a queen  
it was love at first sight on that night  
once i stepped on the scene  
now my body once i got it  
fulfillin all my needs  
he had my feenin, obscenein not meanin  
jus smellin his grease  
i reely want him, yes i want him

but the law disagrees  
our loves illegal certain people  
man I wish they could see me  
he got me goin in circles  
as dizzy as i wanna be  
down thru my toes  
he feel my soul  
man i want him badly

Ay, shawty got me spinnin  
like i drunk tha whole fifth  
Waitin on my babygurl call her I need a lift  
Baby saved out the rip  
but cant save my ship  
love the way the jam wobble  
in the thong that she get  
prey to blissin ova here  
let me push yo button  
I'ma real gangsta shawty, don't worry bout nothin  
5 hours lata, bussin unconditional lovin  
and can tell the whole click  
this one here, I'm cuffin...

I'm strung out over you (I need you, ova you...)
