

Bring 'Em to the Pit

Crisix

Bring em' to the pit!
we won't stop until you bleed!
Bring em' to the pit!
It's the only thing we need!
Bring em' to the pit!
we won't stop until you bleed!
Bring em' to the pit!
It's too late you're getting sick!
Bring em' to the pit!
we won't stop until you bleed!

You've just arrived to the show
and your face is on the ground
Bring em' to the pit!
It's the only thing we need!
Watch with the crew
and enjoy the dance of fists
Bring em' to the pit!
we won't stop until you bleed!
The ecstasy of mosh
makes me feel your fuckin' screams
Bring em' to the pit!
It's too late you're getting sick!
Open up the wall
We've got a ball

-Hey man! What's this ball?
Holy shit! They're fuckin' mad!
-Don't you know?
Do you know were you are?
That's a Crisix show
and this is...
FOOTBALL OF DEATH!
GO!

Banging and dying
Your heads are denied
To stop crushing some brains
TONIGHT!
It's my pleasure
It's your pleasure
Enjoy the pride
Of this fight!

Bring em' to the pit!
we won't stop until you bleed!
You're dazed and confused
but you've got nothing to lose
Bring em' to the pit!
It's the only thing we need!
You're living in a dream
now you go to get a drink
Bring em' to the pit!
we won't stop until you bleed!
Too drunk, too alive
you're reloaded, sweet desire!
Bring em' to the pit!

It's too late you're getting sick!
Raise you glasses
NOW!

-Well, well, well...
if you don't finish your drink
you're a pussy face!
-Shut up douchebag!
I can do it 'cause i am...
AN ALCOHOLIC
SUPPORTER!

Banging and dying
Your heads are denied
To stop crushing some brains
TONIGHT!
It's my pleasure
It's your pleasure
Enjoy the pride
Of this fight!

Bring em' to the pit!
we won't stop until you bleed!
Bring em' to the pit!
It's the only thing we need!
Bring em' to the pit!
we won't stop until you bleed!

It's the end of the show
but the party is goin' on
Bring em' to the pit!
It's too late you're getting sick!
Come with us to take the last!

Banging and dying
Your heads are denied
To stop crushing some brains
TONIGHT!
It's my pleasure
It's your pleasure
Come with us tonight!
