

# Get out of My Head

Crisix

Get out of my head! GO!

Get out of my head!  
I hear you on the radio  
And also on TV  
Rehashed Bullshit  
Your presence makes me sick

Eat this motherfucker  
Here comes the real deal  
Blow your speakers  
This song will drill you

“Here comes the hit of the summer...”

Fuck! Like a punch in my face  
Your garbage is my disgrace  
One million times I hear your sound  
Again and again!

Induced consume  
Propaganda  
Stuck-Stuck... Stuck in my head  
Your stupid simple chords are in my mind

We are the ones against the flow  
Join the club and welcome to the show  
You are one more to the flock  
You all do the same, I'm sick of it all

Get out of my head!  
I hear you on the radio  
And also on TV  
Rehashed Bullshit  
Your presence makes me sick  
Makes me sick!

One more time you spit your crap  
One more time you spit your crap  
I don't wanna eat it  
I don't wanna see it  
I don't wanna hear it anymore!  
RA!  
Again and again and again  
I don't wanna hear it anymore  
It's time to make it  
Yeah!  
I don't wanna hear it anymore  
It's time to wake up  
Let's do it!

We are the ones against the flow  
Join the club and welcome to the show  
You are one more to the flock  
You all do the same, I'm sick of it all

Get out of my head!

I hear you on the radio  
And also on TV  
Rehashed Bullshit  
Your presence makes me sick

You deserve something equal the pain your shit bring to my ears  
Can you hear me?

Get out of my head!  
Get out of my head!  
Get out of my head!  
I want a simple thing, bitch!

The truth is I have a dream  
A world without you on my way  
But sadly the reality  
Always hits my face

One more time you spit your crap  
One more time you spit your crap  
I don't wanna eat it  
I don't wanna see it  
I don't wanna eat it  
I don't wanna see it  
I don't wanna hear it anymore you stinky crap!  
Again and again and again!

Get out of my head!  
Get out of my head!  
Get out of my head!  
Fuck this shit
