

Strange

Crisix

A strange commotion and a clear devotion to kill
A subconscious feeling against my own will
Where am I? When am I? Why am I playing with fire?
This must be a place for weird desires

Distortion of reality
Nightmare, this nightmare should not be
Distortion, lost in a dream
The end of sanity

Fuck!
It's a trip through the wall of sleep

Cursed and lost
Lost beyond the strange
Cursed
Living malediction cursed down below
Lost
In a trance that creates a...

Strange commotion and a clear devotion to kill
Screams on the other side, please set me free
Through the mouth of madness and beyond
I can see the point of no return

Distortion of reality
Nightmare, this nightmare should not be

Fuck!
It's a trip through the wall of sleep

Cursed and lost
Lost beyond the strange
Cursed
Living malediction cursed down below
Lost
In a trance that creates a strange world!

I can feel the menace!

A figure in black before me
That's just the son of my tainted mind
Just another fear
Watching me with a thousand eyes

Distortion, lost in a dream
The end of sanity
Welcome to a...

Strange commotion and a clear devotion to kill
A subconscious feeling against my own will
Where am I? When am I? Now I'm playing with fire
This must be a place for weird desires
