

Drag You Under

Cro-Mags

There comes a time in life when you gotta stop
Stop being a bitch stop giving up
It's time for you to grow a f*ckin' pair
Cause no one ever said that life was fair
Sometimes life is a real motherf*cker

Sometimes it feels like life is trying to drag you under
Sometimes life is a real motherf*cker
Sometimes it feels like life is trying to drag you under
But you just can't quit
