

## From the Grave

Cro-Mags

Don't let anybody break you  
Don't let nothing bring you down  
Defeat's not always final  
Nor is victory permanent  
In times of peace, be prepared for war  
'Cause sometimes life is a dirty whore  
The pendulum always swings both ways  
So don't let pride get in your way

Don't let no one try to break you  
Don't let nothing ever bring you down  
Don't let no one try to break you  
Don't let nothing ever bring you down

I've been betrayed by friends  
Time and time and time again  
But I know that in the end  
It's up to me and not to them

Oh, yeah!  
Oh, come on, Phil!
