After Life

Crobot

Hey, can't you read all our fates in the stars?
Up there appearing to Heaven
Why are they trying to hide all their gods?
'Cause I know where to find them

Don't waste my time
Go live your life
Can't stand and hide
Waiting to die

I'm not ready to say goodbye
In no rush to get to the other side
Into the afterlife

Can't you smell oblivion in the air?
There'll be no tomorrow
Yeah, Armageddon's a show stopper
A tough act to follow

Don't waste my time
Go live your life
Can't stand and hide
Waiting to die

I'm not ready to say goodbye
In no rush to get to the other side
Into the afterlife

I'ma make you a believer
I'ma make you a believer
I'ma make you a believer
So run for your life into the afterlife

Don't waste my time
No, I'm not ready to die

I'm not ready to say goodbye
In no rush to get to the other side
(Into the afterlife)
There's so much to do with so little time
No, I'm not ready to die, no
I'm not ready to say goodbye
Into the afterlife
Into the afterlife
