

# Chupacabra

Crobot

Get up!

300 dead sheep in Columbia  
Victims of a creature as vicious as a god  
Hairless and hungry, covered in mange  
Carnivorous in all its attacking ways

Well I found that bloodsucker down by the river...

Down by the river  
El Chupacabra  
Oh, down by the river  
El Chupacabra, Chupacabra

Does such a thing exist, we may never know  
All with glowing eyes of red, could steal your very soul  
Movement in the distance, wait 'til the coast is clear  
Monster of Mexico, I got your goat right here

Well I found that bloodsucker down by the river...

Down by the river  
El Chupacabra  
Oh, down by the river  
El Chupacabra, Chupacabra

Get up!

Well I found that bloodsucker down by the river...

Down by the river  
El Chupacabra  
Oh, down by the river  
El Chupacabra, Chupacabra

Oh, down by the river  
El Chupacabra, Chupacabra  
Oh...
