

# Play It Cool

Crobot

There's no time for introductions  
We gotta move quick and get fast  
When the chase is on you don't want to be last, no

But you see the sky is falling  
I saw it with my own eyes  
Don't look back, just run for your life

Don't be afraid, just get inside  
Forget the odds, we'll just let it ride  
Don't be afraid, just get inside  
Lay it on the line

Hey, no, it's alright  
Just play it cool  
It's on the roll of the dice

Hey, no, it's alright  
Just play it cool  
It's on the roll of the dice

Betting on your own life

Well I know you think I'm crazy  
And maybe you would not be wrong  
But if I didn't know, how did I last this long?

Better believe they're always watching  
They got their evil eyes up high  
You couldn't hide even if you tried

Don't be afraid, just get inside  
Forget the odds, we'll just let it ride  
Don't be afraid, just get inside  
Lay it on the line

Hey, no, it's alright  
Just play it cool  
It's on the roll of the dice

Hey, no, it's alright  
Just play it cool  
It's on the roll of the dice
