

Feel It 2

Croixx

Do you feel it two
The way it feels when you're on fire?
It ain't nothin' new
The way it feels when you're alive
In my company
Your reflection in my eyes
Has its hold on me tonight

So, when you come around
I'll be right here
Won't let you down
Won't let you down
Let's feed our fears
Bet they love it now

Almost feels like make believe
When you're laying next to me, oh, oh, whoa, oh
I let you get the best of me
Not who you pretend to be, oh, whoa, oh

Do you feel it two
The way it feels when you're on fire?
It ain't nothing new
The way it feels you're alive
In my company
Your reflection in my eyes
Has its hold on me tonight

Do you feel it two
The way it feels when you're on fire?
It ain't nothing new
The way it feels when you're alive
In my company
Your reflection in my eyes
Has its hold on me tonight

So come around
You've been silent for too long
There's no need to speak when you're not here with me

It almost feels like make believe
When you're laying next to me, oh, oh, whoa, oh
I let you get the best of me
Not who you pretend to be, oh, whoa, oh

Do you feel it two
The way it feels when you're on fire?
It ain't nothing new
The way it feels when you're alive
In my company
Your reflection in my eyes
Has its hold on me

Oh
Oh

Do you feel it two

The way it feels when you're on fire?
It ain't nothing new
The way it feels when you're alive
In my company
Your reflection in my eyes
Has its hold on me tonight
