

Lose Someone

Crooked Colours

There's a liar on the phoneline
Says you tried to own me six times
Yeah, what's it to ya?
What can I do, do for ya?

The way you waste days could be a crime
Hardly know how to waste more time
I'd rather lose ya
Yeah, I hardly knew ya

How do you lose someone?
How do you, do you?
How do you lose someone?
Like you, ooh-ooh-ooh-ooh

How do you lose someone?
How do you, do you?
How do you lose someone?
Like you, ooh-ooh-ooh-ooh

Mmm, party's over
Time to pack it in
Time to get back in the Rover
Guess I'll al-always be dancing
Sometimes you have to spend the time
To feel something's true

You occupy my mind
Take it for a walk
Introduce your wild side
I keep wasting my time
I keep thinking how

How do you lose someone?
How do you, do you?
How do you lose someone?
Like you, ooh-ooh-ooh-ooh

How do you lose someone?
How do you, do you?
How do you lose someone?
(How do you?)
Like you, ooh-ooh-ooh-ooh
(How do you?)

Mmm, can you give me something tangible?
'Cause I don't wanna fall right into you
Right into you

How do you lose someone?
(How?)
How do you, do you?
How do you lose someone?
Like you, ooh-ooh-ooh-ooh

How do you lose someone?
How do you, do you?

How do you lose someone?
(How do you?)
Like you, ooh-ooh-ooh-ooh
