

Never Dance Alone

Crooked Colours

When I needed you to follow
There's somethin' that I have to say
I've never felt so alone, girl
You'll never dance alone

When I needed you to hold on
I thought I might float away
But you pulled me back over, boy
You'll never dance alone

When I needed you to call out
Somethin' I was meant to say
I've never felt so lost, girl
I've never danced alone

When I needed you to come back
There was somethin' that I had to say
I've never been so lost, boy
You'll never dance alone

When you needed me to come home
Something that was never said
I've never felt so alone, girl
I'll never dance alone

When I'm over all the motion
I'm waitin' so we move along
I've never felt so lost, boy
You'll never dance alone

When I needed you to come home
I never found the words to say
I wanted you for so long, boy
You'll never dance alone

When I needed you to come home
(Come home)
I never found the words to say
It's been building up for so long, boy
You'll never dance alone
