Run To Me

Cross Canadian Ragweed

I got a lot of things to say I've got a lot of things to do today But I'll put 'em all behind Throw 'em to the side Put 'em off till tomorrow to keep you satisfied Put 'em off till tomorrow to keep you satisfied

Come to me when you can Run to me baby understand Where you go I will follow Every step of the way every night and day Every step of the way every night and day

Like your shadow on the ground girl I'll always be around Be it high or be it low Reaping everything you sow Everywhere you go

Every mile every breath Anything put me to the test Heel to toe Everywhere you go Everywhere that you go in the pocket of your soul Everywhere that you go in the pocket of your soul

Come to me when you can Run to me baby understand
